### 3. Story

#### THE BIG FOREST

There was a big forest near my home. It had many living things. There were many trees, animals and birds. There were also monkeys, insects and snakes. The birds sang nice songs. Monkeys played among the trees.

Last year people came to the forest. They cut down many trees to get firewood. Some people came to hunt. Others came to make gardens. The forest is not there any more. Today animals have no home.

Questions:

1. Where was the big forest?
2. Why do the animals have no home today?

- If the child reads the story correctly, mark him/ her can do and then take the child to the two comprehension questions.
- If the child cannot read the story correctly or make more than 4 mistakes, mark him/ her cannot do and proceed to the writing assessment.
