- Ensure that the child's number and information is maintained as recorded in H400.
- Questions H%00-1500 should be answered by children 4-16 years as much as possible. If not, ask the parent/guardian.
- Assess all children 4-16 years in literacy and numeracy as instructed in the survey booklet and assessment pack
- Do not leave any question unanswered. Where numbers are required and nothing is given as a response, please put 0. Where numbers are not required and the response is not applicable insert a dash (-).
